COMMUNICATION

Thank you for granting a personal interview to discuss the merits of the  
outstanding Office Action dated October 5, 2001 for the above-identified patent application.

This is to confirm our interview scheduled for November 28 at 10:00 AM.

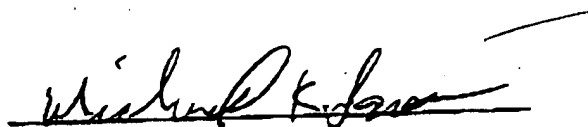

As I indicated during our telephone conversations on November 7 and 8,  
2001, I will be accompanied by the inventor of the contoured fit pan liner, as well as the  
President of the Assignee of this application, the Company that manufactures the contoured fit  
pan liner. You had indicated during our telephone conversation that your interviews typically  
occur in your office, and that our interview may be a little crowded in your office due to the  
number of people that will be in attendance. For this reason I am requesting that a conference  
room be reserved for this interview.

**DOCKET NO.: MQPP-0002****PATENT**

In addition, I would like to reiterate my request that your supervisor (SPE) also attend this interview in view of the importance of this invention to my client, which is illustrated by the fact that both the inventor, who is the Director of Sales & Marketing, and the President of the Company will be traveling to Washington for this interview.

I look forward to hearing your response to these reasonable requests.
